

February 8<sup>th</sup>, 2019

**Subject: Official Letter for Notification of 2019 Kofpi Scholarship Program**

The Korea Forestry Promotion Institute (Kofpi) is a semi-governmental agency of South Korea committed to disseminate forestry science and technologies and to increase the income of people in the forestry business by creating higher added value of the forestry and forest industries.

Since 2009, the Kofpi has offered scholarship program in order to cultivate forestry experts to support overseas forestry business and projects of Korea and to build network with overseas countries.

I am pleased to inform you the 2019 Kofpi scholarship program inviting new students who want to study Master or Doctor course in Korea. The scholarship will be provided from September 2019 for relevant applicants. All application documents should be submitted to the Kofpi no later than March 8<sup>th</sup>, 2019.

If you have any further question, please do not hesitate to contact us.

Sincerely,

Dr. KOO Gilbon

President of the Korea Forestry Promotion Institute  
Republic of Korea
